3 In respect of any courses for which the fees are to be reimbursed, the applicant must not have obtained any other publicly-funded financial assistance for the same course, module or units of study credits, such as-

- (a) grants or loans under the Financial Assistance Scheme for Post-secondary Students administered by the Student Financial Assistance Agency (SFAA);

- (c) government-financed loans administered by the Open University of Hong Kong.

For avoidance of doubt, loans for tuition fee payments obtained from the publicly-funded Non-means Tested Loan Scheme administered by SFAA are not subsidised loans. If such loans are borrowed towards the payment of fees for a reimbursable course of study recognised for the purpose of CEF, the fees may be eligible for reimbursement subject to all other criteria being met. The CEF reimbursement may be used to offset any outstanding NLS loans so borrowed by the applicant for paying the tuition fee in respect of the same course. Any remaining balance of the CEF reimbursement after offsetting will be credited to the designated account of the applicant.

4 Each applicant will be allowed a maximum of 4 opportunities to claim reimbursement, subject to a ceiling of HK\$10,000 within 4 years from the date the application was approved. The CEF account for the applicant will be closed once the fourth reimbursement has been made or when the full sum of HK\$10,000 has been drawn or at the end of the 4-year period notwithstanding any unclaimed balance remaining in the account.
