As the course has yet to be registered under the QR given the time needed for the Joint Quality Review Committee and Hong Kong Council for Accreditation of Academic and Vocational Qualifications to complete their necessary vetting and/or assessment, only **a provisional approval with a validity period up to 30 April 2012** was granted on an exceptional basis to register the course on the list of reimbursable courses under the CEF. In this connection, please note that **the course is granted a provisional approval under CEF, students taking the course with the commencement date on or after the validity of the provisional approval, i.e. 1 May 2012 are not eligible for claiming course fees reimbursement under CEF.**
